HANDLE & DRAIN OPTIONS

Products in the Waterbridge and Wherever Collections come standard with "Tee" handles.

Cross handles are available at no additional cost when ordered with the fixture. Add any alternate handle to your order with the appropriate part number.

Handle prices listed herein are for single replacement handles only.

This also applies to alternate lavatory drains. Most lav faucets include a drain. If a specific drain is preferred, simply note on your original purchase order. Prices listed are for standalone or replacement drains.

Kitchen/Bar and Sensor faucets do not include drains.

AVAILABILITY

To service your customers better, we attempt to maintain inventory of our most popular product/finish combinations. For availability or lead time, it is most efficient to email Sonoma Forge at: info@sonomaforge.com

SPECIAL ORDER FINISHES & CUSTOM PRODUCTS

Ordering a finish not listed as standard requires a lead time of approximately 6-8 weeks. There is typically a 10% fee for special order finishes. Please call or email for actual pricing and lead times.

Custom products normally require a lead time of 8-12 weeks, depending on the product and customization.

Special order and custom products are not returnable.

SONOMA FORGE TERMS & CONDITIONS

PRICING

Lav, Tub, and Shower products include rough valves and trim. Unless otherwise noted, all products are priced individually. Most lav faucet kits include one matching drain.

Shipping, handling, duties, taxes, storage, payment processing fees, etc., are not included.

SHIPPING

Shipping charges are always prepaid by Sonoma Forge. "Freight Collect" and "Third Party" are not available.

Products ship via ground carrier unless requested otherwise. Tracking information is listed on the invoice.

Invoices equal to or greater than \$10,000 qualify for free domestic ground shipping.

Additional charges may apply for lift gate service, excess insurance, residential delivery, inside delivery, limited access delivery, call before delivery, guaranteed delivery, weekend delivery, holiday delivery, changes in delivery, and expedited delivery. Cancelling or returning items that reduce the invoiced total to below \$10,000 will result in billing of the entire shipping charges.

WARRANTY

Sonoma Forge products are assembled and finished by hand in the USA. Each part is unique and individual, and may vary slightly from one part to another. Living finishes will change over time, to degrees dependent on environment. This is natural, and these changes are not warranted.

We warrant the quality of our products to be free of manufactured defects and will repair any defective product up to two years from purchase date. Product will be replaced if not repairable, at the discretion of Sonoma Forge.

Replacement parts may not be available for discontinued products after two years of purchase.

Products installed outdoors do not qualify for complete warranty.

Damage from freezing temperatures is not covered under warranty.

Sonoma Forge shall not be responsible or held liable for labor, installation, removal, or shipping charges; consequential, incidental, indirect, special, economic, or punitive damages; as well as illness injury, disability, or death from installation or use of our products.

CLAIMS

All orders must be inspected upon receipt. Damage or discrepancies must be reported to Sonoma Forge within three (3) business days of delivery, and before product leaves the original delivery address.

Packaging with visible damage should be noted with the carrier upon receipt. Packages should be refused if product damage is obvious from the outside of the packaging.

Sonoma Forge is not liable for lost or damaged product drop-shipped to a dealer's customer. The dealer takes full responsibility for any drop-shipped product after it has shipped from Sonoma Forge.

RETURNS & CANCELLATIONS

No returns will be accepted without prior authorization from Sonoma Forge.

Sonoma Forge is not responsible for any labor, packaging, shipping costs or damage of returning product.

Restocking fees will be assessed based on several conditions, not limited to:

- Date of original invoice:
 - Up to 30 days: 25%
 - 31 to 60 days: 35%
 - 61 to 90 days: 50%
 - 91+ days: negotiable
- Used, damaged, and custom products are not returnable.

Order cancellations are only accepted by email, and are subject to a fee of up to 75%.

CARE & MAINTENANCE

Wipe with a clean, soft, damp cloth. Mild soap may be used. Blot dry.

100% carnauba wax can be used properly to protect finishes.

For information or parts not listed in our price book, please contact Sonoma Forge.
