Performance Showers (PS)

in2aqua's advanced multi port ceramic disc valve diverter combined with our high performance thermostatic valve guarantees an ergonomic and user friendly shower system. Our award winning in2itiv mounting system saves installation costs and reduces sound transfer to the back wall. Equally impressive is in2aqua's shower collection which utilizes Air Technology to enhance the showering experience and save water. All in all, in2aqua showers offer superior quality, performance and versatility.

in2aqua PS - Techno S

TECHNOLOGIES

Dropless System

After shutting off the water, the remaining water completely drains from the Dropless shower head. This enables the system to avoid bacteria build up within the shower head. The quick removal of all remaining water reduces the possibility of limescale buildup inside the shower head and nozzles.

HIGHLIGHTS

- Releases residual water after each use
- Diminishes deposits build-up
- Eliminates bacterial contamination

AIR

TECHNOLOGIES

in2aqua PS- Retro

The Shower system **in2aqua PS- Retro** is an easy renovation solution for the bathroom.

Upgrade your bathroom without major renovation and convert your shower head to a two-way system with the benefit of an extra hand shower.

Old system

- ✗ Shower head only
- ✗ Renovation needed to add a hand shower
- ✗ Not enough space for conventional system

Shower System Retro

- ✓ Complete system with shower head and multifunction hand shower
- ✓ Compact, modern and beautiful design
- ✓ Plug and play: no renovation needed

EASY 3 STEP INSTALLATION

- 1 To upgrade your standard shower, you will first have to simply remove your existing showerhead.
- 2 Install the Shower system in2aqua PS- Retro without having to make any changes to the in-wall plumbing. The compact system is suitable for any shower.
- 3 Complete the transformation by installing shower head and the hand shower.

TECHNOLOGIES

Silk spray

Imagine a spray as soft as silk caressing your skin. With the sensation of a light summer rain, the new SILK shower allows you to feel relaxed and rejuvenated.

Avoiding limescale buildup in the shower head keeps the system working at maximum efficiency.

Swirl spray

The new non-cloggable Swirl spray technology exhilarates your body.

The spiraling hollow spray massages your skin in a circular motion with a feeling of a rejuvenating waterfall.

TECHNOLOGIES

Massage spray

Switch to wellness! Enjoy the powerful massaging shower spray that exhilarates the body and awakens the senses.

Booster technology creates the sensation of a full shower regardless of the water pressure.

Airdrop[©]

Experience a gentle, uplifting feeling that envelops the body.

Delivering a rejuvenating spray that is soft and gentle on the skin. Airdrop showers operate quietly and save water at the same time.

TERMS AND CONDITIONS

1. **Prices** - Subject to change without notice.
2. **Freight** - in2aqua GmbH reserves the right to ship products by our choice of carrier. All shipments are F.O.B. via our point of distribution.
3. **Deliveries** - in2aqua GmbH regrets delays beyond our control caused by strikes, fires, shortage of materials, accidents, transportation delays or acts of God, however we cannot be held responsible for them.
4. **Returns** - All returned goods are subject to a restocking charge.
5. **Special Orders** - Special order products are not returnable and not refundable.

The procedure for returning products ordered is as follows:

1. **Product Condition** – Product MUST be in original box and box must be in LIKE-NEW CONDITION.
2. **Returned Goods Authorization (RGA)** – Product returns prior to shipping will not be accepted without a returned goods authorization. Telephone customer service to obtain an RGA. You will receive an email/fax a copy of the RGA.
3. **Packaging** - Place a copy of the RGA inside the box prior to shipping it back to point of original distribution. If possible, place the product box and paperwork inside another shipping box to protect the original packaging.
4. **Shipping** - Ship the product back to us prepaid.
5. **Time Period for Returns** - All requests to return products must be received within 10 days of invoice.
6. **Damage or loss in Shipping** - Any claim for loss or damage should be made to the carrier immediately by the customer. Products become the responsibility of the carrier when they are accepted by the carrier in good condition.
7. **Product Changes** - in2aqua GmbH reserves the right to change, discontinue, modify or redesign products without liability for inventory obsolescence.
8. **General** - The possession of our catalog or price list by any person is not an offer to sell any of the goods shown. This price list supersedes all previous price lists or memoranda. in2aqua 's existing trade terms and conditions remain in effect. Orders, contracts or agreements do not become an obligation of in2aqua until confirmed by in2aqua.

The above terms and conditions shall be a part of all such acceptances by in2aqua and shall supersede any conflicting provisions of our customer purchase orders.
